Newsletter March 2023

The Easter holidays are upon us and once again this academic year is flying in school! This has been such a busy half-term with summer just around the corner. Thank you to everyone who has attended a parent's session, enterprise event and supported children in sporting events.

Curriculum

On the first day back after the Easter holidays, we have arranged for all our children in Key Stage Two to take part in first-aid lessons. We believe this is a vital life skill and look forward to the children sharing their learning with you. For more information about our Personal Education curriculum, and all other curriculum subjects, you can view our plans on our website, following the link below:

Don't forget to keep up to date with the curriculum booklets for your child's class each half term too! The ones for next half term will be available after the Easter holidays

World Book Day 2023

It was wonderful to see everyone dressed up for World Book Day. The Readathon Awards went to Blake (FS2) Aurora (KS1) and Aaron (KS2) who read for a total read of 18 hours and 38 minutes!

Comic Relief - Red Nose Day

We managed to raise a huge £408.52 for Comic Relief and we had some great jokes being shared. The overall winner of the Warmsworth Primary School Joke Competition was Charlotte in year 3 - Congratulations! Thank you to everyone who took the time to enter the joke competition and made everyone smile ... even if some of the jokes were a little corny!

Sporting Successes

On the 8th March 2023 our year 6 girls football team achieved the status of Fusion Cup champions (on a very wet day!) and were presented with a signed Manchester City Ladies Team ball - Congratulations girls!

Our winning Boccia Team went to the South Yorkshire Finals on the 23rd February 2023 and faced some very tough, well-seasoned competition. However, all participants tried their very best and made the most of the opportunity to take part in regional finals - well done to you all! Our Year 5 swimming team won the Doncaster Swimming Finals in February too and are now due to represent Doncaster in the South Yorkshire Finals after the Easter break.

Attendance

We continue to monitor and support attendance of all of our children and are delighted that many children have an attendance above our target of 97%. We do have some children whose attendance is causing us some concern and have notified those parents personally to see if there is any further support we can offer. We do appreciate the efforts of all of those families who are trying to improve their child's attendance to benefit their child's academic, social and emotional well-being. We continue to work very closely with our school Education Welfare Officer and they are willing to conduct some home visits to support.

At the present time, attendance remains below our target of 97% across school, but hopefully with everyone's continued efforts, this can be improved by the end of the academic year. A special shout out to F2VE, 2ASh, 4VL, 5AA and 6HA who have seen their class attendance figure go up this month - well done!
