Thank you for all you support this term. The children have done so well and have really enjoyed all the Christmas celebrations to end this busy term.

The children in Foundation Stage and KS1 (with a little help from their teachers and Miss Nithsdale!) have all produced videos of their Christmas performances and we hope parents of these children have enjoyed viewing these on the children's Google Classroom accounts. These videos will remain on Google Classroom through the holidays so that you can allow grandparents etc. to view them.

Once again, our wonderful cook, Mrs Parr, and her staff have kindly prepared all the party food for the children's parties and all the children have had a wonderful party with their class.

JUMPER DAY**

Save the Children - Christmas Jumper Day

Thank you for supporting Christmas Jumper Day; a total of £365.60 was raised for the Save the Children charity. Thank you again for all donations made.

Covid 19 and the Christmas holidays

As we enter the Christmas holidays, we are aware that some children may develop Covid 19 symptoms over the weekend of Saturday 19th and Sunday 20th December 2021 and may need to take a Covid test.

If you child starts to exhibit these symptoms this weekend, Saturday 19th and Sunday 20th December 2021, please email us on the secretary email address: secretary@warmsworthschool.co.uk informing us of your child's name, class, symptoms they are experiencing and when these symptoms started.

If your child takes a Covid test as a result of these symptoms, please email as above detailing whether your child has received a positive or negative test result, as we are continuing to support

the NHS Track and Trace service over the Christmas holidays and will let parents know of any cases which may affect their child and their class.

Safeguarding / One-way system

The new one-way system appears to be working very well and we will be continuing with this system in the new year - thank you so much for your feedback and support.

Please could I remind all parents / carers that if your child in in F1, F2, Y1 and Y2 your child must be accompanied to their classroom door by a responsible adult.

If you have a child in Y3, Y4 ,Y5 or Y6 they may enter the site independently, but please ensure they are fully aware that they need to go straight to their classroom door at their allocated start time. We are concerned that some children who are in these year groups are coming very early and are congregating on the streets around school, or visiting local shops, and we have concerns about their safety.

As we enter 2021, please could I ask that everyone continues to keep to their allocated start and end times, as below and ensure that the school premises are exited as soon as possible; this is to ensure that there is less congestion and limited face to face contact to reduce the risk of transmission of Covid 19.

It continues to be our school policy that anyone on site wears a face covering or displays an exemption card.

	Please bring your child(ren) to school between these times:	Please arrive at school to collect your child(ren) at this time:

Dinner Money

Most parents are keeping their child's dinner money account in credit, and this helps school a great deal - thank you. If you receive a text or phone call from us to advise you that your child's dinner money account has gone into debt, we would appreciate it if you could pay as quickly as possible.

Have a very Merry Christmas and a Happy New Year

School re-opens on Tuesday 5th January 2021
